## 360 Clarity Updates

**Fresh Look!** July marks the 2nd anniversary of 360 Clarity! With the wrap of the 2nd year, it is time to freshen up the newsletter.

To start this **third** year off right, anyone who has eyes on this is welcome to any one of the following for yourself or organization:

- 3 free coaching sessions
- Presentation on Burnout
- Diversity Starter Kit (mini workshop)

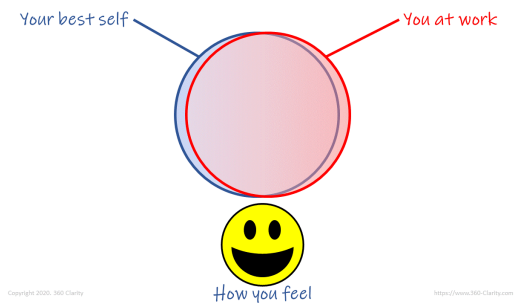

Email [Sam@360-Clarity.com](mailto:Sam@360-Clarity.com) to set it up!

A phrase I've picked-up along the way is, "I've got to get my affairs in order."

Going to mow the lawn? Get my affairs in order: change clothes, download sweet podcast, get the mowing hat, fill the mower with gas, do this thing!

The most recent article, "Alignment Everywhere" discusses the need to make sure one's skills, strengths, and preparation are aligned with the actions to be taken at [360-Clarity.com/blog](https://360-Clarity.com/blog)

Big goals and big life purpose must mean enormous accomplishments, right?

It's good to have those big dreams and goals, but not at the expense of living your life along the journey. The article linked below discusses the Big Question of the purpose of life. Just maybe, it's more of a sampler platter than giant meal.
