**The On Ramp to Diversity and Inclusion:** Will be creating a workshop around this. Looking forward to your feedback on these three pieces: <https://www.360-clarity.com/post/on-ramp-to-diversity-and-inclusion>

This January 2021, we observe the United States Presidential Inauguration. Inauguration is a transfer of power that signals a change of leadership and sometimes direction.

Every organization should consider their succession plan and the plan to help daily operations function properly if leadership does not change, but other folks down the chain of command do transition.

The most recent article, "Succession Success" discusses decision-making at [360-Clarity.com/blog](https://www.360-clarity.com/blog)

There are so many reasons to just let your mind be. Successful people often highlight the time they spend thinking about future issues and not the business at hand. Just allowing your brain to be a brain, can be helpful.

### YOUR WANDERING MIND IS A 'FEATURE,' NOT A BUG
