

# 6 REASONS NOT TO HIRE A LEADERSHIP COACH

## YOU HAVE ALL THE BEST IDEAS

You've got the answers, all the best ideas, and you know it. There's no reason to invest in a coach.

## YOU CAN'T TRUST ANYONE

People who act like they have your back and say they want to support you are just trying to get in on your success.

## YOU'RE THE STAR OF THE SHOW

The inner circle is all you! It's awesome and you know that when the spotlight is on, you're sharing it with no one.

## YOU ALWAYS MEET YOUR GOALS

Setting your sights and achieving is second-nature so anyone else getting involved will probably get in the way.

## YOU DON'T WANT ACCOUNTABILITY

You always do the most important thing and there's no reason to question that.

## YOU DON'T LIKE TO BE QUESTIONED

People who question you want to make you look bad or don't know what they're talking about. They're wasting your time.

# 6 SIGNS YOU'RE READY FOR A LEADERSHIP COACH

360 Clarity

## YOU NEED HELP WITH STUCKNESS

Stuckness - when you've got a rough situation and not sure what to do. Your coach will help you come to your best answer.

## YOU'RE AWARE THAT YOU DON'T KNOW

You're skilled and competent enough to know that you can't see everything and another perspective will help.

## SOMETIMES YOU THINK YOU DON'T BELONG

That feeling when you think you'll be exposed as a fraud, even though you're not. Your coach will help you appreciate your achievements and what you have to offer.

## A NUDGE CAN GET YOU MOVING

Sometimes tasks prevent movement. A coach will nudge your focus toward your goals and get things moving.

## YOU RISE TO A CHALLENGE

...because you don't do it alone. When you rise to the challenge, your coach can help you do so confidently and effectively.

## YOU LIKE TO IMPROVE

You're driven to continually improve. Your coach will empower your success and keep travelling with you from milestone to milestone.
