## 70° Warranty

- A colleague of Dr. Sam's said that he runs at 70 degrees.
- No outbursts disregarded as passion.
- No disengagement disguised as introspection.

Consistency, clarity,  
objectivity, and a singular  
focus: you, the client.

Clients engage with Dr. Sam  
in meaningful ways that are  
full of empowerment,  
curiosity, respect, and fully  
absent of judgement.

## About You

Clients who will gain the most from Dr. Sam's coaching and services...

- are decision-makers
- may struggle with impostor syndrome
- respect diversity, inclusion, equity, and access
- are not trying to hire a "business bro"
- want a coach, not a consultant
- prepare for possibilities rather than focus on limitations

"Dr. Sam Jennings is such a great resource - an objective, grounded, balanced, intelligent listener who offers solutions or perspectives you might not have considered... A definite value and a great coach."

- Molly, Org Development Leader
